

Disclaimer of Liability

We warn Users that the exercises performed in the video tutorials published and visible online, as well as in the guides, manuals, brochures available online or in printed form (hereinafter the "Services") by Giulia Consoli, based at Bruchstrasse 73, 6003 Luzern:

- do not constitute medical or health advice or any other activity having similar connotations are published for general information purposes
- do not offer any explicit or implicit guarantees of any kind and do not assure any achieve results in the care of the body and health
- are in any case referred to the prudent assessment of each individual user and his doctor

In this regard, we would like to warn the Users that the viewing of the videos, the request and sending of the guides and manuals, as well as their consultation and the performance of the exercises by the User do not create any contractual relationship with the User, nor any other relationship of social contact or similar.

The exercises and advices provided are generally free of substantial contraindications, but we invite Users to seriously consider the risks related to the performance of physical activity, in relation to their own health conditions: in this regard, the advice of your doctor is always necessary.

It is understood that the Services do not intend to perform any medical, therapeutic, care or similar function and cannot be intended as a substitute for an adequate specialist medical consultation.

Finally we do not answer

- for any prejudice, direct or indirect, arising from the Users from the performance of exercises in a manner inconsistent with the information provided in the video, in the guides, brochures and the like; to this end, it should be noted that Giulia Consoli can neither verify nor control the proper execution of exercises by Users, which is therefore left to their independent and prudent management;
- for any injury, damage and the like suffered by Users during the performance of the exercises or as a result of the same, as well as for any further damage arising directly or indirectly, including those from interruption of work or any lost profits;
- for any harm relating to the purposes for which Users intend to use the exercises or the manner in which they use them;

- for any harm related to the specific use of the Services and their subject matter in relation to critical situations involving, by way of example, specific risks to health and safety and the like
- for the failure to achieve objectives, results, expectations, prospects and the like
- for any prejudice that the User may suffer from the Services and from the performance of activities indicated therein, in violation of what is stated herein.

All Users are warned that the Services are in any case subject to the discipline of articles 14, 15 and 16 of Legislative Decree 70/2003 of April 9, 2003 and articles 12, 13 and 14 of Directive 2000/31/EC of June 8, 2000, regarding the exemption of responsibility of the provider of information society services.
